

Upcoming Key Events

Watch this space for exciting events in the coming weeks including the launch of our community café, pupil rewards and much more!

Things to Note

- ∞ **Residential letters have been sent to all pupils in year 7 and above.** Please note responses and deposits are due Wednesday 14th September if you wish to secure a space on the trip for your child.
- ∞ **Our brand-new library is nearly complete** - We just have furnishing and one last window to sort out!
 - We would be extremely grateful for book donations: new, nearly new, and well-read copies of books are all very welcome.
 - We will be sending out a wish list link very soon if you are interested in specific texts we are keen to have in the library.

TCS this past week

It has been wonderful to welcome everyone back and to share our school spaces with our new starters. This week the classes have been working on settling in and starting to work on their new themes.

Our year 9 class are starting their curriculum work towards their GCSE qualifications, while our other years have started work on their international baccalaureate line of inquiry. These lines of inquiry are explored through the full breadth of curriculum subjects, showcasing how skills and themes can generalise outside of the specific scenario they arise in.

It would be impossible to talk about our week without expressing our deepest sadness at the passing of Queen Elizabeth II. We have spent the day talking with pupils about how they feel about the news and to share their thoughts about her life in service to us and the new King.

"It is sad she died: now her son is the King"

"There will be lots of change, we have a Queen we will have a King"

"The Queen was very good; I will miss her"

"It has been wonderful to settle into this community and be able to part of The Cavendish School."

Webinars, Links and Resources

News regarding our webinars for this half-term will be sent home as part of our school calendar launch later this week.

This half term we will be covering Pathological Demand Avoidance (PDA), as well as exciting news about our curriculum.

Previous webinars can be found uploaded on our website

Outstanding value shown this week

Courageous: This week we are selecting all of our pupils to be recognised for demonstrating this value following their transition to a new school or new school year.
