

TCS NEWS

Week 5
SEP 24

Items of Note:

ASDA CASHPOT

We are thrilled to announce that, thanks to those who have already signed up, we have raised over £70! If you haven't joined yet, it's not too late. Simply sign up for the Asda Rewards app and join the *Cashpot for Schools* scheme. By selecting our school, Asda will donate £1.00—even if you don't shop there. It's a simple way to support us with no extra cost to you!

AFTER SCHOOL CLUBS

Afterschool clubs have started. Parents who signed their child up have been contacted. If you'd like your child to join a club, please contact the office to check availability.

Monday:

- Secondary Art (KS 3&4 only) until 3.45pm
- Multi-Sports/Football with Cambridge United until 3.45pm
- German Fun until 3.45pm
- French (KS4 only) until 4.00pm

Wednesday:

- Coding Club until 3.45pm
- Spanish (KS4 only) until 4.00pm

Thursday:

- Primary Art (KS2 only) until 3.45pm
- Construction until 3.45pm
- DofE Award (KS4 only) until 4.00pm

TCS this past week:

WATSON- Have been looking at stories set around London. They have read 'The Tower Bridge Cat' which involved a flying London bus and a party for the Queen.

TAJIRI- Had their first Attention Autism session, they watched worm splat and did indoor rain with a watering can under an umbrella.

THUNBERG- Visited the stage at IVC, they were able to see the parts of the stage, read out scripts they had written and take part in some improvisation.

WILLIAMS- Continued to explore the anatomy of fish and were given the chance to taste caviar. They have also been exploring motives and emotions of the characters in Oliver Twist.

GRANDIN- Have used paper mache and balloons to make the base for their Egyptian headwear.

DAVIS- Have been looking at range and median to solve worded problems in Math. They have explored emotions and feelings.

TURING- Have been doing some excellent work in science investigating organ systems and doing a chicken wing dissection to understand how the muscular and skeletal system fit together.

EILISH- ones of Regulation and taking part in multi-sport circuits in PE which included Tennis, Curling and Table Tennis.

LAWSON- Enjoyed investigated pressure through the collapsing can experiment and making a submarine using tomato ketchup packets and a coke bottle.

BEADLE- Were congratulated on their work in Science, where they took part in a practical and did an impressive job.

ELON- Have been working on Ohms Law. In English, they have begun the study of poetry for their English Literature exams.
