

TCS NEWS

Week 6
OCT 24

Items of Note:

HALF TERM REWARD TRIPS

You should receive an email over the next few days letting you know which reward trip your child has chosen. All the reward trips will be completed in school or within the local area. If your child has chosen the swimming reward, please ensure they have their kit, and you have completed the swimming consent form that was sent at the beginning of the year.

CURRICULUM CAFÉ- Wed 23rd October

With just over a week until our Science Curriculum Café, please make sure you have completed the MS form by 10am on Friday (18th) if you plan on attending. If the form is not completed, unfortunately you will be unable to see your child's science book. <https://forms.office.com/e/mnBpzwb5M6>

Science Curriculum Cafe

METAL WATER BOTTLES

Just a reminder that metal water bottles are not allowed in school.

Upcoming Key Events:

OCTOBER

16th-23rd Oct – Pupil Reward Trips
23rd Oct – Curriculum Café- Science
23rd Oct – Last Day of Half Term

Outstanding value shown:

Harry E – Thinker – Spent a lot of time thinking of the best way to recreate a drawing in 3D.

TCS this past week:

WATSON- Have been focusing on our changing environment and reading the story 'The Oak Tree' they used autumn leaves to make a collage.

TAJIRI- Made electromagnets in science. In Geography, they looked at another IB school in Bologna and compared school days.

THUNBERG- Have built some amazing pulley systems and mini catapults as part of their science work on forces.

WILLIAMS- Have been learning how to recognise changes that happen to the body when we are stressed and angry. They've also looked at how lungs work in science.

GRANDIN- Have been looking at square and cube numbers in maths. They have also added some more bits to their Egyptian headwear.

DAVIS- Are becoming familiar with the skill set required of spies and have then been writing about these skills in a formal application to a spy agency.

TURING- Have been recreating the digestive system in science using mashed banana, Weetabix and tights.

EILISH- Enjoyed cooking and PE. In Science they studied covalent bonds and the different forms of carbon, they did an exam question about it.

LAWSON- Have been working very hard in Maths learning trigonometry.

BEADLE- Have been working on argumentative skills with their study of 'Face' in English.

ELON- Have been looking at representing graphs through equations. In English they have continued looking at poetry.
