

# TCS NEWS

Week 9  
NOV 24

## Items of Note:

### COOKING CONTAINERS

Just a quick reminder for pupils to bring a container on their cooking days to safely transport their food home. A reusable tub or container with a secure lid is ideal.

### ELA TERM DATE TRIAL

The Eastern Learning Alliance will be conducting an interim evaluation of the term date trial. The trial added additional days to October half term and extends the Christmas break by three days, meaning the term will conclude on Friday 13<sup>th</sup> December. Please can we ask that parents provide feedback through the following link below. For more information, please refer to the email you should have received.

<https://forms.office.com/e/Kp60VjT7NH>

### CHILDREN IN NEED

This Friday, pupils can wear spotty clothes to school or dress up from lunchtime onwards. Please see the letter that was emailed last week for more details and the ParentPay link.

## Upcoming Key Events:

### NOVEMBER

11th Nov – Children in Need  
18th Nov – OT Webinar

### DECEMBER

9th Dec – Start of Reward Trips  
10th Dec – Parents Evening

## Outstanding value shown:

Ayden – Thinker – Persevered in Maths to solve word problems.

## TCS this past week:

**WATSON-** Have been enjoying their Attention Autism sessions and had great fun dressing up in Forest School.

**TAJIRI-**Have looked at tooth decay in Science. They started an experiment by leaving hard boiled eggs in containers of apple juice, coke, water and coffee. They are waiting to see what will happen!

**THUNBERG-** Have begun a science investigation into light and how we see. They used string, lights and different objects to demonstrate how light would travel.

**WILLIAMS-** Started looking at the book 'The Boy at the Back of the Class' and listened to the first chapter. They have also been looking at multiplication in Maths.

**GRANDIN-** Have been completing word problems in Maths. In science they have begun to look at different animals.

**DAVIS-** Have begun to explore the structure of the earth in science and looking at types of rocks. In English they are identifying the features of spy gadgets with a view to creating their own.

**TURING-** Completed some high-level discussion on war and its impact as part of their unit on war poetry.

**EILISH-** Made poppies in forest school using small logs and stick and paint.

**LAWSON-** Have been working hard, completing final assessment material on the bonding topic in Science.

**BEADLE-** Have started a new topic in English, war poetry, and have been learning about the importance of Remembrance Day in PSHE.

**ELON-** Have completed a science assessment week practicing exam questions relating to electricity.
