Week 10
NOV 24

Items of Note:

REMEMBRANCE DAY

On Remembrance Day, the school community came together to honour those who have served and sacrificed in conflicts past and present. Lessons throughout the day incorporated themes of remembrance, fostering understanding and reflection. It was a day of unity, reflection, and respect, ensuring that the sacrifices of the past are never forgotten.

CHILDREN IN NEED

Last week, pupils supported *Children in Need* by wearing spots. The colourful attire brightened up the day as everyone came together for a great cause. After lunch, the fun continued as students dressed up in creative costumes, adding excitement and energy to the afternoon. One of the highlights of the day was participating in "Bear Pong," a playful twist on a classic game. Thank you to everyone who donated, in total, we have raised close to £300.

PARENTS EVENING

Please keep an eye out this week for an email regarding booking a parents evening appointment for Tuesday 10th December. These can take place virtually or online.

TCS this past week:

WATSON- Have been working hard in Maths adding and subtracting larger numbers and using manipulatives to help.

TAJIRI- In forest school, they have built a fire and roasted marshmallows. In History, they have pretended to spy on a legionary soldier.

THUNBERG- Have been doing roleplay on going to the doctors, looking at making appointments, seeing the doctor and what happens in an appointment.

WILLIAMS- Have explored 'A Diary of a Wimpy Kid' focussing on comprehension with emphasis on understanding the motives of characters.

GRANDIN- Have started writing autobiographies in English. They have completed a section on their family.

DAVIS- Have been looking at identifying features of rocks using magnifying glasses.

TURING- Have been experimenting the process of rust in Science by placing nails in different liquids and places.

EILISH- Have been doing practise exam questions in Science and everyone joined in with a jam donut challenge for Children in Need on Friday.

LAWSON- Have been working in solving equations in Maths and have continued annotating Macbeth in English.

BEADLE- Have been learning about healthy lifestyle choices and how they can help us to balance out or manage stressful situations.

ELON- Enjoyed toasting bread and marshmallows on a fire in Forest School.

Upcoming Key Events:
