Week 11
NOV 24

Items of Note:

OT WORKSHOP FOR PARENTS

Join us on Monday 9th December at 1.30pm in the school hall for a 1-hour in-person parent workshop, "A Practical Approach to Developing Interoception Awareness to Support Regulation and Self-Care", led by our Occupational Therapists.

CHRISTMAS EVENT

We are excited to invite you to our Christmas event on Friday, 13th December! It will be a morning full of festive fun, including a tombola, Christmas stalls, and much more.

- Start time: 10:00 am
- Performance: 11:30 am
- Finish: 1:00 pm

Lunch will be provided, and pupils may leave at 1:00 pm. We hope you can join us to celebrate the holiday season!

PARENTS EVENING

Thank you to everyone who has already completed the Microsoft form for Parents' Evening. If you haven't yet had a chance, please ensure it is completed by **Friday**. Appointment times will be shared with you the following week.

TCS this past week:

WATSON- Have been reading Paddington stories, exploring Paddington in Peru and have written postcards to the King describing Peru.

TAJIRI-Had fun placing parts of the digestive system on each other. In art, they enjoyed using popcorn pens with ink that react to the heat of a hairdryer.

THUNBERG- Have continued to read the book 'The Girl who Speaks Bear' and were inspired to write their own quest stories.

WILLIAMS- Have been thinking about refraction in Science and painted rainbows which they dipped into water, watching how the colour disappeared.

GRANDIN- Have made stencils in art and have been looking at different landmarks in America.

DAVIS- Have been looking at measurements in maths. In science they have looked at sedimentary rocks.

TURING- Have been improving their lap time in swimming and practising their life-saving skills with the rescue mannequin Bob. The record for his rescue is 18 seconds.

EILISH- Have had a great time in PE doing badminton as a group. As a class, they calculated their carbon footprint in forest school

LAWSON- Have applied a super level of effort completing past exams papers for Science and Maths demonstrating great resilience.

BEADLE- Have been learning new English terminology for literary devices and about how devices are linked to author's intension and reader's response.

ELON- Have showed amazing resilience by completing practise exam papers in preparation for their GCSEs.

Upcoming Key Events:

DECEMBER

- 9th Dec – Start of Reward Trips
- 9th Dec- OT Workshop 1.30-2.30
- 10th Dec – Parents Evening

Outstanding value shown:

Phoenix – Thinker – Has completed some excellent work in Maths this week.
