JAN 25

Items of Note:

HAPPY NEW YEAR!

We hope you all had a lovely Christmas break. As we step into 2025, we wish everyone in our school community a happy and successful New Year. Here's to another fantastic term ahead.

GROUP CHATS

With many children now having their own phones, it's important to help them use social media safely and responsibly. Platforms like WhatsApp (16+ age limit) and Snapchat (13+) often have large group chats, which can sometimes include people they don't know or inappropriate content.

We encourage students to leave any group chats that feel uncomfortable or unfamiliar and to report anything worrying to the platform or the police if needed.

Parents, it's a great idea to sit down with your child and review their social media settings together. For example, WhatsApp allows users to approve group invites first—guidance on this and staying safe online can be found [here](#).

Thank you for working with us to keep everyone safe online!
