

TCS NEWS

Week 21
MAR 25

Items of Note:

WORLD BOOK DAY

World book day is this Thursday. Pupils can bring an outfit to dress up in at lunchtime if they would like.

EMERGENCY TERM TIME LEAVE

If your child requires emergency term-time leave, please ensure that you contact the school office and complete a leave of absence form before the absence. If the form is not completed prior to the absence, it will be recorded as an unauthorised absence. Please note that even if the form is submitted, the absence may not be authorised.

PARENTS EVENING

Parents evening will take place on Tuesday 25th March. Parents of Year 10 and 11 pupils should have received a further parents evening MS form link today to give the option to meet with subject teachers.

TCS this past week:

WATSON—Have started reading a new story, 'We're All Wonders' They have had good discussions about kindness and how they could make the main character feel included.

TAJIRI—Have completed some amazing still life drawings of fruit using oil pastels. In food technology, they designed their own burgers.

THUNBERG—Have been writing their own recounts, some fictional and some based on facts, they have also been working on punctuation.

WILLIAMS—Have started reading a new text 'The Iron Man' which explores issues around outsiders and fear of change.

GRANDIN—Have enjoyed welcoming their newest class member MnM the goldfish.

DAVIS—Are becoming confident at identifying and representing tenths and hundredths on a number line. They have also been converting decimals and fractions.

TURING—Made electrical circuits in Physics, including trying to use a potato as a battery.

EILISH—Have completed their Functional Skills English and Maths exams. They managed themselves in an exemplary manner.

LAWSON—Have worked hard solving problems involving vectors.

BEADLE—Have been working on their Entry Level English. They have also started an OT Interception course and are enjoying their music lessons.

ELON—Have been looking at climate change and the importance of global warming.

Upcoming Key Events:
