

Items of Note:

MOTHERS DAY GIFT SHOP

Friends of TCS will be joining us in school on Friday to run the Mother's Day gift shop. Pupils are invited to bring **£1.50** to purchase a card and fill a pick 'n' mix bag.

EASTER EVENT

On the last day of term, we will be holding our annual Easter event. Parents/Carers and families are welcome to join us for the morning. If you plan on attending, please complete the following MS Form by Friday 28th March 2025: <https://forms.office.com/e/W4ZhKUXpqh>

COOKING

This week's cooking theme is leftovers. Please ensure pupils bring a container on the day they are due to cook so they can transport their cooking home.

Upcoming Key Events:

MARCH

25th Mar- Parents Evening
28th Mar- Mother's Day Gift Shop

APRIL

4th Apr- Easter Event/Last Day of Term
7th Apr- Autism Celebration

Outstanding value shown:

Cailen- Reflective – able to reflect on how his body was feeling in his interoception group.

TCS this past week:

WATSON–Enjoyed working as a team to make a waterfall and a river in forest school with flowing water.

TAJIRI– Made salt dough tree decorations in forest school. They have also been learning about links between health and wealth.

THUNBERG– Have been investigating shapes, they have looked at perimeter and area.

WILLIAMS– Have been following the news about NASA astronauts who returned to Earth in a SpaceX capsule on Tuesday.

GRANDIN–Have been learning about earthquakes. In Science they used Bunsen burners to test food for glucose levels.

DAVIS– Have been looking at how different classes are presented in the Hunger Games. In PE, they have worked on balancing and skills of brick building.

TURING–Have reflected on road safety awareness through practicing hazard perception tests and discussing how to stay safe on the roads.

EILISH–Worked hard to complete a test based on a previous GCSE paper. They have started work on their electricity topic.

LAWSON–Have completed their work on electrical circuits. They have also worked on a GCSE mock paper together.

BEADLE–Have been learning about vectors in Maths and elements in Science.

BANNEKER–Started their last Science topic Ecology. They have also continued completing mock questions in Maths and English.
