

Items of Note:

Friends of TCS Meeting

The next friends meeting will take place on Tuesday 3rd June at 8pm. Please find the link here: [Meet – ohk-vfyc-hfb](#) All parent/carers are welcome to join the meeting to get involved and find out more.

Summer Weather

As the weather is getting warmer, please ensure your child brings a drink to school each day to stay hydrated. There are times during the school day when pupils will be outside, so if they would like to bring a sunhat or sun cream, this would be appreciated.

Please note: We kindly ask that pupils do not bring metal water bottles. Thank you for your support in keeping everyone safe and comfortable during the warmer months!

Upcoming Key Events:

MAY

8th May-16th June- GCSE Start
26th – 30th May- Half Term

JUNE

2nd Jun- Return to School
3rd Jun- School Photos

Outstanding value shown:

Kenzie-Inquirer– Sketching a John Piper inspired building.

TCS this past week:

WATSON – Have started swimming lessons this term. They are learning how to leave the school site safely, as well as how to swim and stay safe in water.

TAJIRI – Wrote recounts of their best holiday in English. In PSHRE, they had fun practising how to use an EpiPen while learning about allergies.

THUNBERG – Have completed their work on shapes. In English, they have focused on using adjectives by creating stories as a class, encouraging pupils to listen to others' opinions.

WILLIAMS – Have been using colons and semicolons in English. In maths, they have been reflecting shapes.

GRANDIN – Have been learning how to plot points in four quadrants. They have also been looking at nutrients and their impact on the body.

DAVIS – Have been exploring extracts from *Harry Potter* about wizarding creatures. They have identified key features with the aim of designing their own mysterious and magical creatures.

TURING – Have been collecting and observing different plants for dissection as part of their biology unit.

EILISH – Have been revising in science, covering specific heat capacity and metal compounds. In maths, they have been recapping substitution.

LAWSON – Have been thinking about budgeting to help prepare for adulthood.

BEADLE – Have also been learning about preparing for adulthood in PSHRE, specifically focusing on budgeting.

BANNEKER – Have continued revising for their GCSEs. Some pupils have also been researching work experience options.
