

## Items of Note:

### What another great half term!

What a great half term it's been! It's been a busy one, with our English Curriculum Café, employer encounters for Year 9 and 10 pupils, half-termly rewards, and the start of a very exciting milestone — our first ever GCSE exams as a school!

We're incredibly proud of all our pupils, families and staff for their hard work, determination, and enthusiasm.

### Friends of TCS Comedy Night

Join us on Friday 4th July for an evening of laughter at The Cavendish School, as the Friends of TCS host a fantastic Comedy Night featuring: Nessie Ward, Joe Wells, Tasmin Sarkany, Danny Ward, and Blank Peng. There will be a licensed bar on site, and tickets are just £15.00.

Book your tickets here:

<https://www.tickettailor.com/events/friendsofthecavendishschool/1699299>

Please note this event is for over 18s only.

We look forward to seeing you there for a night full of fun and fundraising! All proceeds will go towards raising money for outdoor gym equipment for the school playground.

## Upcoming Key Events:

### MAY

8<sup>th</sup> May-16<sup>th</sup> June- GCSE Start

### JUNE

2<sup>nd</sup> Jun- Return to School

3<sup>rd</sup> Jun- School Photos

## Outstanding value shown:

Robin, Eric, Ben– Reflective– using a variety of different words to describe how their body felt in OT.

## TCS this past week:

**WATSON** – Enjoyed spending time outdoors in the nice weather, playing games and chatting with friends.

**TAJIRI** – Had a great time planting red capsicum in Forest School. In art, they also made birds' nest sculptures.

**THUNBERG** – Have been building fairy gardens, inspired by one of their Forest School walks. This links to their artwork this term, as they have been looking at architecture and different types of buildings.

**WILLIAMS** – Have been thinking about the advantages and disadvantages of wearing school uniform.

**GRANDIN** – Have written their own explanation texts and used PowerPoint to add pictures and diagrams. In maths, they have been learning how to plot coordinates.

**DAVIS** – Have been using interesting adjectives and fantastic descriptions, alongside their brilliant imaginations, to create a magical monster.

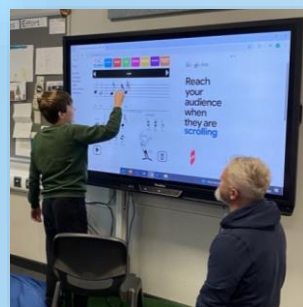

**TURING** – Have used their persuasive writing skills to write and perform speeches on topics they are passionate about.

**EILISH** – Have enjoyed taking part in their half-termly rewards, including making pizzas using a stone-based pizza oven.

**LAWSON** – Have finished studying *A Christmas Carol*. They have now started learning revision skills in preparation for a practice GCSE paper.

**BEADLE** – Have been enjoying learning how to use the app 'Audacity' in computing.

**BANNEKER** – Have been completing their GCSE exams and continuing with their revision.
