

Items of Note:

Easyfundraising

Thank you to who has already signed up for Easyfundraising. We've already raised over £85 but we really want to raise more. Could you spare a few minutes to register to support us through your everyday online shopping by [clicking here](#).

Summer Family Event

Join us from 9:30am to 1:00pm on Friday 18th July for one of the highlights of our school year! Please let us know if you will attend by completing this quick form by Wednesday 2nd July:

<https://forms.office.com/e/MW8UJV4JHL>

Warm Weather Reminder

With the warmer weather here, please make sure pupils bring a refillable water bottle to stay hydrated throughout the day.

A sun hat and sun cream applied before school are also recommended if your child is sensitive to the sun.

We'll continue to encourage regular water breaks and provide shaded areas during outdoor activities. Thank you for your support!

Upcoming Key Events:

JULY

4th Jul- Comedy Night
11th Jul- Transition Morning
18th Jul - Activity day

Outstanding value shown:

Jake- Knowledgeable- Creating some fantastic work for his IB project.

TCS this past week:

WATSON – Have completed computing work, on how to use templates and layouts. Pupils have started creating party invitations, posters and newspaper front covers.

TAJIRI – Had an interesting Science lesson learning about fossils. Mr Laszlo brought a set in from China and Britain.

THUNBERG – Had an amazing music lesson, playing on the drums and electric guitar, taking turns, and expressing their individuality.

WILLIAMS – Enjoyed exploring the imaginative Gobblefunk language in English. In Music, they have been looking at how different sounds evoke a range of emotions.

GRANDIN – Have researched natural and human impacts on animals, creating a group poster of the issue and solutions.

DAVIS – Have made excellent progress with their IB projects, sharing their perspectives on humans' impact on the environment.

TURING – Have been preparing for their IB exhibition on the relationships between human societies and the natural world.

EILISH – Had a practical in Science this week oxidising copper with charcoal and flames.

LAWSON – Have been looking at non-calculator skills in maths and have been making good progress building core mathematical skills.

BEADLE – Have enjoyed their swimming sessions and have also been working on learning new extended essay writing skills in English.

BANNEKER – Had a lovely time at Prom on Friday night.
