

Items of Note:

Transition Morning

Transition morning is this Friday at 10.00am-12.00pm. Pupils will spend the morning in their new classes with their new teacher and classmates. Parents are invited to join us for the event—please sign in at Reception on arrival.

Summer Family Event

Join us from 9:30am to 1:00pm on Friday 18th July for one of the highlights of our school year! Please let us know if you will attend by completing this quick form by Wednesday 2nd July:

Easyfundraising Update

We've raised £97.42 so far this year through supporters using easyfundraising when shopping online—thank you to everyone who has contributed. Every donation helps support our pupils and school community. If you haven't signed up yet, it's not too late to join, and if you sign up today, we could be in with a chance to win a £500 donation! [Sign up here.](#)

Summer Jumble Sale

Some of our pupils are planning to hold a jumble sale on the last day of term and are kindly asking for donations. If you have any unwanted items you'd like to contribute, please hand them in at Reception. Thank you for your support!

Upcoming Key Events:

JULY

11th Jul- Transition Morning / IB Exhibitions

18th Jul – Activity Day / Last day of Term

Outstanding value shown:

Harry L- Resilience- Spending time in the classroom and joining in with activities.

TCS this past week:

WATSON – Have been learning about the Blitz and have made different things out of cardboard.

TAJIRI – Have enjoyed Attention Autism this week. They blew giant bubbles and played splat with a giant shaving foam 'cake'.

THUNBERG – Have created some amazing fact files and reports for their IB exhibit about how people shouldn't be judged.

WILLIAMS – Enjoyed spending time working on their IB topic, they have explored children's rights and created a rights city.

GRANDIN – Have been creating a model of an eco-friendly sustainable house for their IB exhibition, they have researched how they can reduce their environmental impact.

DAVIS – Have been continuing to think about rising sea levels and melting ice for their IB project about climate change.

TURING – Have been preparing for their IB exhibition they have researched case studies and demonstrated good analytical and presentation skills.

EILISH – Have performed lots of experiments in Science. In English, they have been working towards their GCSE speaking endorsement and in maths they have been focusing on statistics.

LAWSON – Have started 'An Inspector Calls' and filmed their speaking and listening speeches in English.

BEADLE – Have been learning about ratios in Maths.

BANNEKER – Are enjoying their long summer before starting Year 12.
