

TCS NEWS

Week 3
SEP 25

Items of Note:

FLU VACCINATIONS

Tuesday 30th September, the Vaccination team will be in for flu vaccinations. This year all consent is online, and you should have been contacted by the NHS.

HILLTOP Years 6-11

Pupils in Years 6-11 have been invited to attend Hilltop in January, if your child would like to attend, please sign up via ParentPay and pay the deposit by Tuesday 30th September.

TCS this past week:

WATSON- Have been enjoying yoga and regulation exercises in PE.

TAJIRI- Have had a fantastic week in science; they have been constructing and drawing circuits. In Geography, they have started looking at Europe.

THUNBERG- Took part in a balloon and string air resistance experiment a part of Science.

WILLIAMS- Have been investigating electricity and building circuits they used a variety of components to investigating their effect on the circuit.

GRANDIN- Have been keeping safe in Science for their topic on electricity. As a class they explored hazards with electrical appliances.

DAVIS- Have been designing posters in computing focusing on colour palettes and layouts. In science they made their own lung models using balloons and bottles.

TURING- Have begun a new maths topic on angles, and the students have enjoyed learning about different knots in Forest School.

EILISH- Have been focusing on their extended writing with analytical paragraphs evaluating extracts from 'Lord of the Flies'.

LAWSON- Have been learning about displacement and exothermic reactions in Science. In English they have been looking at power and conflict poetry.

BEADLE- Have been researching possible jobs and identifying the necessary skills for certain jobs.

BANNEKER- Have looked at targets, goal setting and recognising strengths in PLG. In English they have been looking at Macbeth.

SIXTH FORM- Have continued with their OU introductory courses. They also went out into the community for a familiarisation visit.
