

# TCS NEWS

Week 7  
OCT 25

## Items of Note:

### HAVE A LOVELY HALF-TERM!

As we come to the end of our first half term, we are incredibly proud of all our pupils for their hard work, enthusiasm, and achievements. It's been wonderful to welcome new pupils to TCS and see everyone settling in. A special highlight was our Duke of Edinburgh exhibition, showcasing pupils' dedication and teamwork. We're also excited to have launched our after-school clubs this term, including Taekwondo, giving pupils even more opportunities to learn new skills and have fun together.

### 🎃 PUMPKIN COMPETITION 🎃

Don't forget — on Tuesday 21st October, pupils can bring in a carved pumpkin to enter the competition. Entry is £1, with all proceeds going to the Friends of The Cavendish School (FoTCS).

### 🍷 CURRICULUM CAFÉ 🍷

A reminder that our first Curriculum Café of the year will take place on Wednesday 22nd October at 10.30am, focusing on Art and Science. We look forward to welcoming parents and carers to see the wonderful work pupils have been doing in these subjects!

## TCS this past week:

**Watson-** Have been working hard on building friendships. In PSHRE they are learning about respecting others.

**Tajiri-** Have made sensory bottles and clay animals in Forest School.

**Thunberg-** Have had a great time in Forest School making sensory bottles and have enjoyed Art with Mrs. Heaney.

**Williams-** Have been working on life skills, practicing making and buttering their own toast and making sandwiches. In cooking they enjoyed making pancakes!

**Grandin-** Have been making 3D models in Art. They also made pear puff pastries in cooking.

**Davis-** Have planned and written their own suspense story in English and reflected on the school values in PSHE.

**Turing-** Have enjoyed playing badminton in PE, alongside a swimming session on Wednesday.

**Eilish-** Have been continuing to look at forces by designing and testing helicopters in Science.

**Lawson-** Have enjoyed taking part in science practicals, including testing for alkenes with bromine water and finding the melting point of salt.

**Beadle-** Have successfully completed the unit on organic chemistry in Science and have moved on to inheritance and selection.

**Banneker-** Have written a diary entry for Macbeth detailing his day and feelings. They also finished their chemistry unit and have moved on to the new energy unit in Science.

**Sixth Form-** Have continued their OU courses and received the green light from Mrs. Smith for their bird feeder project.
