Week 11
NOV 25

Items of Note:

PARENTS EVENING

Thank you for completing the MS Form for Parents' Evening. Appointment times will be sent out over the coming week, so please keep an eye on your emails for your allocated time. If you have opted for a virtual meeting, a link will also be included.

HANDSAM- FIRST AID LOGS

We have recently moved our first aid reporting system to Handsam. Going forward, first aid email notifications will come from Handsam instead of Evolve.

TCS CHRISTMAS

We are looking forward to our end-of-term Christmas event, which will take place on Friday 12th December from 10:00am-1:00pm. Pupils' families are warmly invited to join us for the morning. The Christmas play will begin at 11:30am. Santa's Grotto will open at 1:00pm. Lunch will be provided.

TCS this past week:

Watson- Enjoyed their Bucket Time, with a special appearance from a talking cactus.

Tajiri- Have made a model of the Burj Khalifa and have begun exploring tessellation in art.

Thunberg- Had a fantastic visit to the IVC stage, where they performed part of a scene from *A Midsummer Night's Dream*.

Williams- Really enjoyed a trip to the Fitzwilliam museum, where they were able to see a wide range of exhibits linked to their Humanities and English learning.

Grandin- Have been studying biographies in English and have begun writing their own biography about Martin Luther King.

Davis- Have been investigating chemical reactions in Science and have started a new text 'Ghost Boys' in English, focusing on the theme of discrimination.

Turing- Have worked hard on independent writing in English, responding to questions about *Macbeth* using evidence from the text.

Eilish- Have been studying portraiture in Art, using pencil and focusing on the complex structure of the eye.

Lawson- Have shown great effort and focus completing their English and Science accommodated papers.

Beadle- Have been exploring how fossils provide evidence for evolution, discovering how ancient creatures can help us understand life today.

Banneker- Conducted measurements of their own physical fitness by measuring the power they generate.

Sixth Form- Have looked at university costs, student finance and continued to research voluntary work.
