

TCS NEWS

Week 13
DEC 25

Items of Note:

HAVE A GOOD CHRISTMAS AND A HAPPY NEW YEAR!

This half term has been a busy and exciting one at TCS, filled with fantastic opportunities and memorable achievements across the school. Our football team celebrated a brilliant victory in their match against Gretton, demonstrating determination, skill, and superb sportsmanship. Williams Class enjoyed a wonderful trip to the Fitzwilliam Museum, where pupils explored art, history and interactive exhibits. We also continued our engaging cricket sessions, with pupils building confidence and developing new skills each week. To round off the term, pupils had the chance to explore and interact with a special model railway display, which proved to be a popular and engaging experience.

As we come to the end of a vibrant and productive half term, we would like to wish all our pupils, families and staff a wonderful Christmas break and a very happy New Year.

TCS CHRISTMAS

We are looking forward to our end-of-term Christmas event, which will take place on Friday 12th December from 10:00am-1:00pm.

TCS this past week:

Watson – Enjoyed making Christingles to celebrate the start of Advent.

Tajiri – In Science, pupils have been learning about food chains and how they show the transfer of energy from one organism to another.

Thunberg – Had a wonderful time visiting the Histon and Impington Model Railway. They also wrote their own script based on *Jack and the Beanstalk*.

Williams – Had the opportunity to use the large microscope to investigate and identify different microorganisms.

Grandin – Have been working on adding fractions in Maths.

Davis – Investigated the pH values of different liquids using universal indicator paper and recorded their results in a table.

Turing – Have been studying sequences in Maths and analysing Act 4, Scene 2 of *Macbeth*.

Eilish – Have been working on protest-letter writing in English and completing Entry Level work in Maths.

Lawson – Have been exploring enlargement using negative scale factors, invariant points and transformation enlargements. Pupils have also received their login details for MyChoice16.

Beadle – Have been discussing ideas and preparing for our upcoming Christmas event.

Banneker – Logged on to Unifrog as part of their careers lesson.

Sixth Form – Have been practising journey planning using online apps, planning their own class reward trip, investigating the practicalities and pros and cons of renting versus buying a property, and continuing preparations for their Christmas Mystery activity for the Christmas fair.

Upcoming Key Events:

DECEMBER

9th Dec- Parents Evening

11th Dec- Christmas Jumper Day

12th Dec- TCS Christmas and Last Day of Term
