

TCS NEWS

Week 25
APR 26

Items of Note:

Welcome Back

It has been lovely to welcome everyone back after the Easter break, and we are looking forward to a busy and exciting summer term, with upcoming school trips and our Year 11 pupils preparing to complete their GCSEs.

Miles for a Meaningful Cause

We are delighted to share that one of our parents, Toby Jenkins, will be taking on his second London Marathon at the end of this month to raise money for the National Autistic Society. This is an incredible challenge, and Toby's efforts will help support vital services and raise awareness for the autistic community. If you would like to support Toby and his fundraising, you can do so here: <https://2026tcs londonmarathon.enthusie.com/pf/toby-jenkins>

Upcoming Key Events:

APRIL

21st Apr- NAS Award Assessment
27th Apr-1st May - GCSE Art

MAY

7th May - GCSE Exams Start

Outstanding value shown:

Kieron B-Caring -Helping other pupils during Forest School to make pancakes.

TCS this past week:

Watson – Have started a topic on minibeasts by searching different areas in school and recording the insects they have found.

Tajiri – Have worked hard in Science learning about the matter of state. They have started to hypothesise about an experiment.

Thunberg –Have enjoyed making pancakes on the campfire in Forest School and have started the Ted Hughes novel 'The Iron Man' in English.

Williams –Have enjoyed their new English focus on poetry. They have started to write their own poems.

Grandin –Have enjoyed their first swimming lesson of the term and have begun looking at the book Tow Degrees by Alan Gratz with links to climate change.

Davis – Have started learning about space in Science. They have compiled a list of things they would like to learn and are interested in how stars are formed and black holes.

Turing – Have looked at bank statements in PLG. They have considered the different costs that may be deducted.

Eilish – Have enjoyed cooking pancakes outdoors during Forest School and have started reading Orwell's 'Animal Farm' in English.

Lawson – Have been finishing coursework and preparing for their exams.

Beadle – Have been using quadrats and random sampling techniques to estimate plant population across different areas of the school field in Science.

Banneker – Have been looking at lower and upper bounds in Maths.

Sixth Form – Have been working on their OU assessments and have held a class debate about law enforcement, data protection in the workplace, and space exploration, including consideration of the Artemis II mission.
