Week 26
APR 26

Items of Note:

Year 11- Exams

We would like to wish all our Year 11 pupils the very best of luck as they begin their GCSE examinations. We are incredibly proud of each and every one of them for their hard work, dedication and perseverance throughout the year. We know they will approach this important time with confidence and determination, and we look forward to celebrating their achievements.

During the exam period, it is also important that all other pupils are mindful of exam rules around the school to help create a calm and supportive environment for those sitting their exams. Social stories will be shared in classes to help pupils understand what to expect and to ensure everyone is aware of how they can support the smooth running of the examination period.

Get Caught Reading

May is 'Get Caught Reading' month and we would like to collect as many pictures as possible of pupils and staff reading. Every pupil that enters will be in for a chance to win a £5 book voucher. If you take a picture, please send it through to rogers@tcs.tela.org.uk.

Upcoming Key Events:

APRIL

27th Apr-1st May - GCSE Art

MAY

5th May - Hep B Vaccinations

7th May - GCSE Exams Start

22nd May - Curriculum Cafe

Outstanding value shown:

Robin- Knowledgeable - Sharing their knowledge about Pokémons with their class.

TCS this past week:

Watson - Have been enjoying swimming lessons and improving their swimming.

Tajiri - Have enjoyed learning about different environments and cultures; they particularly found Siberia interesting.

Thunberg - Have enjoyed a wonderful trip to the Zoological Museum in Cambridge. They learnt about the Komodo dragon and admired the giant clams and sponges.

Williams - Have enjoyed writing poems; they have tried writing limericks, rhyming poems and haikus.

Grandin - Have enjoyed their class trip to Shepreth Wildlife Park and have completed work on animal conservation.

Davis - Have discovered how a star is formed in Science, and researched the Artemis II mission and the astronauts involved.

Turing - Have learned about CPR and other first aid skills in PLG and have considered whether loot boxes are a form of gambling in PSHRE.

Eilish - Have been completing their Entry Levels and have been learning about Morse code in Humanities.

Lawson - Have done brilliantly with their latest past papers in Maths, and have finished their final topic of Ecology in Science.

Beadle - Have been building on their understanding of Pythagoras' theorem, applying it to solve a range of increasingly challenging problems.

Banneker - Have been learning rounders techniques in PE.

Sixth Form - Have been discussing what harassment and bullying looks like in the workplace and how to tackle it and have started work on self-advocacy skills.

Celebration of Literacy:

Lorson- Reading - Participated in reading out loud for the class and has improved his fluency and reading speed.
